Details

FRITTENDEN MILL LANE TQ 8041-8141 (west side) 13/34 Gould Farmhouse 20.6.67 GV II House. Late C16 or early C18 remodelling of earlier building. Timber framed and exposed close-studding with plaster infill, with tile hung return elevation; extended with weather boarded range. Plain tiled roofs. Lobby entry plan. Two storeys with garret, with jettied gabled cross-wing projecting at left, and cross-plan moulded stack at centre left. Three light garret wooden casement to left, 2 three-light casements on 1st floor, and 2 four-light on ground floor, all of same pattern, with additional 3 light casement in single storey extension to right. Small 2 light mullioned opening to centre on 1st floor, and blocked mullioned windows with side lights behind inserted casements on both floors especially on cross-wing. Panelled door to centre left. The central framed bay with cross-rail and upper rail, the main post to right with mortice holes, all possibly indicating the remains of coving and bracing as for a Wealden hall house. Crown post roof reported.
